

DAO THI MAI CHI

YOB: 2006 | Ho Chi Minh City | (+84) 763 512 128 | maichidao2908@gmail.com
Second-year Software Engineering student

SUMMARY

Third-year Software Engineering student focused on fullstack development with React/Next.js for frontend and Node.js for backend. I enjoy owning the entire product lifecycle - from designing APIs and handling data, to building user-friendly interfaces.
